

Personal Protective Equipment

Hand Protection Disposable

Gloves, CRX chloroprene (neoprene), disposable, blue, PPE Category III

50

- Neoprene - latex protein free
- High quality chloroprene (neoprene) offers the same fit and comfort as natural rubber latex
- Good chemical splash protection against acids, bases and alcohols
- Extended length (300mm) - ensures better fit and higher protection at cuff
- Powder free and silicone free - avoids contamination of working area
- Inner coated - allows easy donning
- Textured surface - for sure grip in dry and wet conditions
- Packed in a polyethylene foil bag inside dispenser box

With Semperguard® CRX a new generation of hand protection is introduced for the laboratory and pharmaceutical field. The new Semperguard® CRX chloroprene disposable glove combines the advantages of a natural rubber free glove with comfort similar to natural rubber latex.

Gloves, neoprene, NeoTouch™, disposable, powder free, green, PPE Category III

S3

NeoTouch™ gloves have a polyurethane inner coating that ensures easy donning, textured fingertips provide a secure grip in both dry and wet conditions. The beaded cuff ensures a secure hold, and their green colour makes them easy to identify. Highly resistant to acids, bases and alcohols. They provide good chemical splash resistance.
