

## Incubators, microbiological, Thermo Scientific Heratherm®

### Compact Incubator

Catalogue No	Legacy No	Alt. No	Description
10699640	-	50125882	IMC18; 18L volume

### General Protocol Incubators

Catalogue No	Legacy No	Alt. No	Description
10529070	-	51028130	IGS60; 75L volume
10839810	-	51028131	IGS100; 117L volume
10744262	-	51028132	IGS180; 194L volume

### Advanced Protocol Incubators, coated finish

Catalogue No	Legacy No	Alt. No	Description
10202120	-	51028133	IMH60; 66L volume
10212120	-	51028134	IMH100; 104L volume
10150070	-	51028135	IMH180; 178L volume

### Advanced Protocol Security Incubators, coated finish

Catalogue No	Legacy No	Alt. No	Description
10251880	-	51028136	IMH60-S; 66L volume
10600231	-	51028137	IMH100-S; 104L volume
10440220	-	51028138	IMH180-S; 178L volume

### Advanced Protocol Incubators, stainless steel finish

Catalogue No	Legacy No	Alt. No	Description
10282190	-	51028717	IMH60 SS; 66L volume
10292190	-	51028718	IMH100 SS; 104L volume
10859970	-	51028719	IMH180 SS; 178L volume

### Advanced Protocol Security Incubators, stainless steel finish

Catalogue No	Legacy No	Alt. No	Description
10261740	-	51028541	IMH60-S SS; 66L volume
10899990	-	51028542	IMH100-S SS; 104L volume
10800001	-	51028543	IMH180-S SS; 178L volume

### Accessories

Catalogue No	Legacy No	Alt. No	Description
11621571	-	50125605	Stainless steel perforated shelf for IMC18
10841481	-	50127770	Stainless steel perforated shelf for IGS60, including 2 shelf supports
10784222	-	50127771	Stainless steel perforated shelf for IGS100, including 2 shelf supports
10600601	-	50127772	Stainless steel perforated shelf for IGS180, including 2 shelf supports
10598290	-	50127773	Stainless steel perforated shelf for IMH60/IMH60-S, including 2 shelf supports
10363940	-	50127774	Stainless steel perforated shelf for IMH100/IMH100-S, including 2 shelf supports
10160060	-	50127777	Stainless steel perforated shelf for IMH180/IMH180-S, including 2 shelf supports
10744412	-	50127764	Wire mesh shelf for IMH60, IMH60-S, IGS60, including 2 shelf supports
10754412	-	50127765	Wire mesh shelf for IMH100, IMH100-S, IGS100, including 2 shelf supports
10262150	-	50127766	Wire mesh shelf for IMH180, IMH180-S, IGS180, including 2 shelf supports
10600411	-	50127768	Sample sensor for IMH60-S/IMH100-S/IMH180-S
10811311	-	50127741	Support stand with casters for 60L models
10304130	-	50127742	Support stand with casters for 100L models
10724602	-	50127743	Support stand with casters for 180L models
10784022	-	50126665	Stacking kit for 60L models - not required but recommended if decontamination cycle is performed in lower unit
10801311	-	50126666	Stacking kit for 100L models - not required but recommended if decontamination cycle is performed in lower unit
10019729	-	50126667	Stacking kit for 180L models - not required but recommended if decontamination cycle is performed in lower unit

### Factory fitted options - please order in conjunction with incubator

Catalogue No	Legacy No	Description
13254779	-	Door hinge on left side. Available for General Protocol, Advanced Protocol and Advanced Protocol Security units. Coated exterior only
11894413	-	Additional access port on centre of left side of unit; dia. 24mm for all incubators
11804423	-	Additional access port on centre of left side of unit; dia. 58mm for all incubators
11814423	-	Additional access port on centre of right side of unit; dia. 24mm for all incubators
11824426	-	Additional access port on centre of right side of unit; dia. 58mm for all incubators
11834423	-	Additional access port on centre of top of unit; dia. 24mm for all incubators
11844423	-	Additional access port on centre of top of unit; dia. 58mm for all incubators
